Congratulations to Gary Parr No. 21, on a fine ride in the Experts on the big old Yamaha TT600. Not far behind him was Andy Elliott No.4, on the 500 Gori and would have been in contention for the win if he had not tried to drink the bar dry on Saturday night. 3rd place went to Roger Worsley No. 20, who put up a cracking pace on his little Suzuki PE 175, well done. The eagle-eyed amongst you may have spotted that the special test times of Gavin Douglas were just a little bit quicker than Gary's but Gavin immediately excluded himself from the results, well he did design and build the course so he reckoned he had an unfair advantage.

Also a fine win for Mick Mosley on his Can-Am 250 in the Clubman A class, super smooth riding saw him win by a good margin over 2nd placed rider John Middleton on a Kawasaki KDX 200. Joint 3rd places went to No. 44 Peter Gothard and No. 45 John Ditchfield, this pair of mates asked to ride together, then managed to finish on the same score, is there something going on there guys?

The Clubman B class was taken by Dave Rodgers No. 101, on his Yamaha DT 175 followed up by Peter Brown No. 104, on his Yamaha IT 175. 3rd place was taken by Richard Bewick No.106 on his Suzuki PE 250.
